Dear Parents,

Greetings from DPS Mahendra Hills!

Welcome to the new Academic session 2018-19. Teachers and students are excited to enter into the new classrooms and surely parents must have observed the exhilaration. This year **globally accepted themes** with plenty of child engaging and learning activities are introduced.

We have been reported of a few incidents that are alarming with own transport. Some of the parents are sending their wards in Auto Rickshaw, Omni vans, any private transport and the safety and security has become a cause of concern for the school. We request you to kindly verify the antecedents of the private vehicle owners and drivers before engaging them to ferry your wards.

Please find the Fee details for the academic session 2018-2019. Challans will be issued soon.
