Dear Parents,

Tragedy has struck Kerala, however in these difficult times the residents are showing incredible strength. The Indian army's operations and support to Kerala has been commendable in rescuing and saving lives of thousands. We as an army should step forward and join our hands to contribute in the most essential way possible.

The Wheelathon Foundation in collaboration with Delhi Public School Nacharam, Mahendra Hills and Nadergul is working to support Kerala in whichever way needed to recover faster. We as an army should step forward and join our hands to contribute in the most empowering way possible.
